## Lil Bibby - Tired Of Talkin'

Good song to listen to when I don't feel like talkin' to nobody. ☐

Snoop Dogg - Smoke WEED Everyday

What's funny about that is that it's actually a Dr. Dre song called "The Next Episode," and it was Nate Dogg that actually said that line...but people often label it as a Snoop song with that line as the title. ☐

Hammock-My Mind Was a Fog...My Heart Became a Bomb

Probably one of their weaker albums just because it sounds too much like other stuff of theirs, but posting for song names, anyway.

Democracy

Managed to identify one of their songs that was playing on KEXP once. An ambient song. Playing on the radio. It was weird.
