Gonna have to say it. 10/10 on the flag.

Also first time seeing them but that flag will make me remember them for quite a time. Also I kinda remember that region Codex Ylvus, i think i raided it once and closed its embassies and they just allowed it to close.

Celeb in F7, even tho i have not seen them a lot, but just the sheer number of posts they have on F7 makes them a celeb here, on other areas of the forum, not so much.

While personally this is the first time that I've seen AN, judging from the year they joined the forum and the amount of their posts in F7, I'd say that they can be classified as "recognizable" especially by people who often lurk or post there, but they are not exactly really well-known especially by those who have just joined or is not really active in this part of the forum (aka me).
