NS STATS NOT USED, refer to factbook for more accurate information on Durradon.

Durradon is a constitutional citizen republic made of a tight confederacy of seven countries on the Ionis continent of the Markion region. The country's culture, geography and more draw inspiration from China, Japan, Mongolia, Norway and Nepal with a solid and unique foundation created by yours truly. A land united by the tides of war. A land of spiritualism and energy. A land of honest, hard-working people just trying to survive another day against imperialist powers.
