Not known yet. Zizocia's at the stage where I can see the name and think "hmm, I've seen that before", but not yet at the stage where I can match the name to the flag and nation.

Founded only this week, I expect them to only be known by but a few people. Possibly a puppet of a much more well known nation.

Has quite a good rep with the older group, given the founding date, as well as having quite a decent rep from streaming and all that nice stuff. <3

A very amicable person.
