Northwestern United States perhaps?

Hi, it's been a while. If you're seeing this then it means what I'm working on is not quite done yet. You can still read my old stuff but it's probably not canon anymore. I'll try to get something up soon. It may or may not involve wizards.

For some reason I got Australia in my head, but that's probably because Synne sounds a bit like Sydney. So my real guess is the United States west coast.

I'm going to go out on a limb and say the american pacific northwest, south of Olympia, but north of Salem.

"Convallaria: A sprawling sun-soaked dreamscape silhouetted far beyond the ethereal horizons of austere morality and petty mediocrity. But behind the sterile flights of state-sanctioned-fancy lies a paradise lost...a land of milk, honey and sex turned rancid in the sun, as the harshly held colonial disciplines of a bygone era yield to the temptations of society's nighttime fragrances..."
