Daft Punk - *Digital Love*

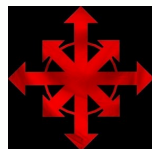

That synth solo is the stuff dreams are made of.

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

Bleachers on SNL. Like the E Street Band if the E Street Band wasn't very good at all.

"...the Republican strategy of disenfranchisement is a state-by-state strategy. It looks like judicial rule where they cannot win. Where they cannot win by judicial rule, they will rule by procedural theft. Where they cannot convince voters to vote for them, they will convince the candidate they voted for to become one of them." - [Tressie McMillan Cottom](#) | "...now you have someone sitting on top of the personal data of several billion users, someone who has a long track record of vindictive harassment, someone who has the ear of the far right, and someone who has just shown us his willingness to weaponize internal company data to score political points. That scares me a lot." -- [Marcus Hutchins](#)*
