The Republic of United Bosna i Hercegovina

That's a pleasant baby blue

In a world where the Spartacists won in 1919 and Trotsky achieved his world revolution, Russia's minority dumping ground in the Far East is undergoing an internal revolution. Led by a sly artist-premier and his technocratic posse, surrounded by a salacious secretive Civil Servants' society, factionalist scheming, and (literal) backstabbing.

Incumbent Javier Caballero wins first round of Chilean presidential elections with 28% of the votes, challenged by right-wing populist opponent.

Speaking of which, they finished the (ongoing) one around today.
