I guess Germany.

Hint: My nation, Gilead, is BETTER than where I'm from IRL.

Kerbin, obviously. I think it's called the heinsen theory - if you create a work of fiction, it creates an alternate universe where that work exists. So the Kerbals from that universe accidentally tripped over a portal to ours, then decided to make a nationstates account honouring it.

Oh no, ninja'd. Hold on a sec.

AN: New York city, but the sitcom version. I'm sure it exists somewhere, it's a big city.

As for my nation, here's a hint. Your first guess is wrong.
