To everyone who is doing homework, leave the forums, breathe slowly, take a sip of water, and focus. To everyone who is trying to sleep, leave the forums, grab a blanket, and get the rest you deserve. To everyone who is feeling sad, grab a snack, get some water, get a blanket, and write down your thoughts. When you're done, lay down and get some rest, no matter the time. To everyone who is creating, you got this. Your art is amazing. Remain in your flow and get stuff done!

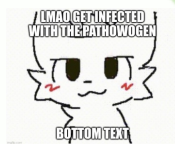

No. I must continue my living in the servers
