They have their own tech scale 🤖

It's a really fascinating system, even with its similarities to other scales, they have their own unique metric.

Mistake on my part due to auto-correct deleting an entire paragraph for some reason. Something i should say however, and i haven't had the time to so but will change soon, is that The Emperor is an *elected* office held for life. If *Emperor* Horuset dies, the Sith Conclave elects a new one from the existing pool of High Ranking Sith.
