on December 18, 1997, you and Vanellope von Schweetz from Wreck-It Ralph plotted to kick my ass live on stage at the Chuck E. Cheese's at 3130 West Ridge Road in Rochester, NY

That seems a bit of a strange conspiracy theory...

On second thought, nah it's pretty par for the course for a conspiracy theory...

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.
