[Kotiteollisuus\(Home industry\)](#) - [Mahtisanat\(Words of power\)](#)

Poor translation attempt:

"Lamentations have been bound  
to their ankles as shackles  
and stones have been  
baked into their ryebreads  
Their backpacks are sewn of sorrows and nightmares  
and their face mask of frozen smile

Nostalgia of popular songs  
Has grayed his hair  
and with same venom  
pollutes his children  
cursed and cast upon us  
hateful gaze  
and did not settle for that

Chorus:

And he spoke words from which  
can enjoy all folk and northern land:  
"If you rejoice don't share it with others  
alone carry your own sorrows  
Desire that what belongs to others  
exchange your wife for lady in neighbor  
red cottage, potato field, beach and  
minivan shall be bringers of your happiness!"

He is next to God and Kekkonen  
His life is a performance like january without alcohol  
flag on his yard is always halfway up  
and believes in same lottery line

He can only celebrate Walpurgis day and midsummer  
His songs ring of nostalgia and longing  
that stubborn bonehead lies buried in  
worshipped mausoleum

Chorus:

And who spoke words from which  
can enjoy all folk and northern land:  
"If you rejoice don't share it with others  
alone carry your own sorrows  
Desire that what belongs to others  
exchange your wife for lady in neighbor  
red cottage, potato field, beach and  
minivan shall be bringers of your happiness!"

And he spoke words from which  
can enjoy all folk and northern land:  
"If you rejoice don't share it with others  
alone carry your own sorrows ..."

Are not we finns cheerful bunch.

everyone knows that quote, "I know not what weapons World War Three will be fought, but World War Four will be fought with sticks and stones," but in a way it's optimistic and inspiring because it suggests that even after destroying civilization and returning to the stone age we'll still be sufficiently globalized and bellicose to have another world war right then and there
