Some Canadian province

In a world where the Spartacists won in 1919 and Trotsky achieved his world revolution, Russia's minority dumping ground in the Far East is undergoing an internal revolution. Led by a sly artist-premier and his technocratic posse, surrounded by a salacious secretive Civil Servants' society, factionalist scheming, and (literal) backstabbing.

Prussia, jewel of Europe!

This nation explores an alternative reality where the Old Prussians, a Baltic group like the Lithuanians and Latvians, did not go extinct and were not Germanized or Polonized.
Prussia is the smallest Baltic State by area, population, and economy and is a well-developed nation- it does not use NationStates Stats.
This nation does not reflect my political views or beliefs.
