Nope.

The Confederacy of Mar-Sara, based off the planet and Confederacy from the popular strategy game "StarCraft", before you start asking, no we do not own slaves, our flag has a different design and meaning compared to the other one. We don't use NS-stats, they wouldn't work with our nation.

As long as the Zerg don't attack where I live, then yes.

"Do or do not, there is no try."-Master Yoda

We are the New Galactic Republic. After the death of Emperor Palpatine and Darth Vader, the New Republic was formed to unite the galaxy under democratic rule and to also establish freedom and peace, the protectors of the New Republic are the Jedi Order, they are lead by Grand Master Luke Skywalker, the most powerful force user in the galaxy. **It should be known that we aren't based on the new Star Wars trilogy, we follow the Expanded Universe lore.**

We don't use NS-stats, it would be unusual considering the franchise we are based on.

Look like they're laying claim to Drongonian land! And doing a worse job of running it, so no.

The Republic of Drongonia

Why not, doesn't seem too shady

"Stick to the pack, and the pack will provide."

We are a leftist nation that believes in the "we" over "I". That's why we are fond of wolves, because the Alpha looks after the pack.

Stick with us, and give us loyalty, and we'll do things that benefit you, and we'll stick with you.

If you cross us, however, then as a pack, we will hunt you.

Don't underestimate us.

The country above is good for it's citizens but not so much for it's rulers in my opinion.

So assuming I'm going to be a citizen if I live in that country, I'd say yes.

[This is my favorite nation on NS.](#)

All [NS stats](#) are used.
