Everything about it just tells me already the very moment of their state, and I think that's truly self explanatory. At least I don't have to go to their factbook for those matters of wars (or not).

Former Foreign Secretary, Chancellor, and the Kaiser's Godfather Heinrich Alfred Graf von Kiesinger passes away at the age of 100; state funeral held in Berlin on Tuesday, 5 December 2023

I hope he became the Kaiser's godfather because of his position, and not the other way around, but you have been clamping down on peaceful protest.
