To everyone who is doing homework, leave the forums, breathe slowly, take a sip of water, and focus.

I'm going to be ninja'd but anyways...

Timeline: doing that thing

1. *leave the forums*

You want to leave the forums, but you see there is a new post in AN out of context thread. You think: *let's see that, just that* and after doing that, you see a new post on another thread.

Repeat 6 times

2. *breath slowly, take a sip of water*

You go to kitchen to take a sip of water. Suddenly, you feel hungry. You pick some snack, you sit in a chair and you start eating. After you were done, you feel your glasses are not clean enough. You go and clean them up, and you see your phone. You pick it up and you see there is a new post in some thread.[REPEAT THE 1]

3. *focus*

It's time for dinner and you haven't written your homework yet.

MY FLAG HAS NOTHING TO DO WITH NEITHER ITALY NOR MEXICO
(Also, I will edit any of my posts just after I posted it, so if the post was too silly or if there was any grammar mistake, just refresh the tab pls.)
