"The crisis consists precisely in the fact that the old is dying and the new cannot be born; in this interregnum a great variety of morbid symptoms appear. The challenge of modern times is to live without illusions and without becoming disillusioned."

IG-88 - MC Chris. Fett's Vette is better, but they're both decent songs.

I am a Rock--Simon and Garfunkel

"I am a rock, I am an island. I have my books and my poetry to protect. I am shielded in my armor. Hiding in my room, safe within my womb, I touch no one and no one touches me. I am a rock, I am an island. And a rock feels no pain, and an island never cries."

Some of my favorite lines, not that they're not all good.
