House of Assenbly bans conscription.

It is foolish to completely outlaw conscription as an option. A stupid decision by the House as the state must always have the option to draft its able-bodied men and women for the defence of the nation.

NS stats are not canon unless otherwise stated.

You'd think you wouldn't have to specify that you don't use NS stats, but alas

Can you actually pick a line from the sig? That's the whole point of the thread.
