“

High up in the Hollywood hills taking violet pills.  
Writing all of my songs about my cheap thrills.  
You're a hard man to love and -  
I'm a hard woman to keep track of.  
You like to rage, don't do that!  
You want your way, you make me so mad -  
got your gun, I've got my dad...

High up in the Hollywood hills crushing violet pills.  
You've been trying to write a novel about your cheap thrills -  
you think you're Hunter S. Thompson.  
I think you're fucking crazy as the day's long.  
Man to man, heart to heart -  
I love you but you drive me so far.  
Wish you well on that star...

Billy Joel - All for Leyna

From *Glass Houses* (1980)

*We laid on the beach  
Watching the tide  
She didn't tell me there were rocks  
Under the waves  
Right off the shore  
Washed up on the sand  
Barely alive  
Wishing the undertow would stop  
How can a man take anymore*

*There's nothing else I can do  
'Cause I'm doing it all for Leyna  
I don't want anyone new  
'Cause I'm living it all for Leyna  
There's nothing in it for you  
'Cause I'm giving it all to Leyna*

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

From *Made in England* (1995)

*I believe in love, it's all we got  
Love has no boundaries, costs nothing to touch  
War makes money, cancer sleeps  
Curled up in my father and that means something to me  
Churches and dictators, politics and papers  
Everything crumbles sooner or later  
But love, I believe in love*

*I believe in love, it's all we got  
Love has no boundaries, no borders to cross  
Love is simple, hate breeds  
Those who think difference is the child of disease  
Father and son make love and guns  
Families together kill someone  
Without love, I believe in love*

Phil Collins - Another Day in Paradise  
[Live performance at Montreux 2004](#)

*She calls out to the man on the street  
"Sir, can you help me?  
It's cold and I've nowhere to sleep  
Is there somewhere you can tell me?"*

*He walks on, doesn't look back  
He pretends he can't hear her  
Starts to whistle as he crosses the street  
Seems embarrassed to be there*

*Oh think twice, it's another day for  
You and me in paradise  
Oh think twice, it's just another day for you  
You and me in paradise*

Elton John - Nikita  
[Live performance, June 9, 2004](#)

*Oh Nikita you will never know anything about my home  
I'll never know how good it feels to hold you  
Nikita I need you so  
Oh Nikita is the other side of any given line in time  
Counting ten tin soldiers in a row  
Oh no, Nikita you'll never know*

Guns N' Roses - November Rain  
From *Use Your Illusion I* (1991)

*If we could take the time  
To lay it on the line  
I could rest my head  
Just knowin' that you were mine  
All mine  
So if you want to love me  
Then darlin' don't refrain  
Or I'll just end up walkin'  
In the cold November rain*

*Do you need some time on your own  
Do you need some time all alone  
Everybody needs some time on their own  
Don't you know you need some time all alone*

*Now I can't sing a love song  
Like the way it's meant to be  
Well, I guess I'm not that good anymore  
But, baby, that's just me*

*And I will love you, baby, always  
And I'll be there forever and a day, always  
I'll be there 'til the stars don't shine  
'Til the heavens burst and the words don't rhyme  
And I know when I die  
You'll be on my mind  
And I'll love you always*

Queen - Innuendo  
From *Innuendo* (1991)

*Through the sorrow all through our splendor  
Don't take offence at my innuendo*

*You can be anything you want to be  
Just turn yourself into anything you think that you could ever be  
Be free with your tempo, be free be free  
Surrender your ego - be free, be free to yourself*

Queen - Bohemian Rhapsody  
From *A Night at the Opera* (1975)

*Mama, just killed a man  
Put a gun against his head  
Pulled my trigger, now he's dead  
Mama, life had just begun  
But now I've gone and thrown it all away  
Mama, ooo  
Didn't mean to make you cry  
If I'm not back again this time tomorrow  
Carry on, carry on, as if nothing really matters*

*Too late, my time has come  
Sends shivers down my spine  
Body's aching all the time  
Goodbye everybody I've got to go  
Gotta leave you all behind and face the truth  
Mama, ooo (anyway the wind blows)  
I don't want to die  
I sometimes wish I'd never been born at all*
