WWII

Below is the description of Viva Las Miami given by Royal Caribbean, one of our most thriving businesses.

"A glorious tropical paradise famous for it's state of the arc factories and office buildings! Renowned for it's private sector and freedom from taxation! Viva Las Miami (pronounced veevuh lah meeahmee) is a safe haven for capitalists everywhere!

Ever since our expansion in 2032, we now own the entirety of the Everglades National Park! Take a ride on one of the Swamp Co. brand swamp boats, or maybe wrestle with a real life Alligator at Gator Wrangler LLC. corporate offices! The opportunities are endless in Viva Las Miami!"

### the Capital Administration of Buhers

Uses NS stats... Wahhh!!

If you're going to make a totally original nation on NS, might as well work towards getting your desired stats instead of writing it all down in a factbook.
