Glass Animals, I literally cannot stop listening to them they are so damn chill and good.

[Goosey](#) and [Haze](#) are pretty good to start with and see if you'll like them or not. After that I'd strongly recommend [Cocoa Hooves](#) as well.

"Here is your country. Cherish these natural wonders, cherish the natural resources, cherish the history and romance as a sacred heritage, for your children and your children's children. Do not let selfish men or greedy interests skin your country of its beauty, its riches or its romance."

Metallica - Am I Evil?

I too thought that this was original Metallica song back in 2006 when I first heard this. Then I found out it was actually a Diamond Head cover and decided to listen to the original. And now (since 2010) I love Diamond Head ☐
