Not sure why but i think of a Germanic-ruled Europe which adheres to Islam. To be frank, that is a bit scary to imagine.

I'd say this nation is about 85-90% representative to my beliefs

About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

I'm probably in the minority, but I actually pay more attention to in game stats than to roleplay
