quite well know

why you should join the monkeys

1. you get to touch grass I know you get to beat: try to touch grass 99% challenge impossible

the

2. your iq increases rapidly why? easy is because humans are social animals and 1 person's iq is a lot smaller then 10 peoples iq combined

3.is monkeys are cool

final but not last bananas are yummy

Well known.

My beliefs. Dogs and cats are both equal, racism is bad, Joe Mama jokes are funny, and TRR is better than any other region.

First time I've seen them. Welcome to F7!

I'd say this nation is about 85-90% representative to my beliefs. About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

They are indeed telling the truth with what they just said above me, as while they have been here for over 3 years, they've not made nearly the amount of posts they could have in that time frame, especially on other forums than F7. Therefore, while there are certainly a small amount of long-term users who will probably remember them, they'll probably be a fresh face to the waves and waves of new users who come and go from time to time. So with that, we'll say somewhat well-known.

"We won't be taxing, bureaucratic hypocrites forever!"
We're fighting a costly, not at all drawn-out war against the Roman cosplaying enslaving scumbags known as Caligulas Legion! Suck it and die from your 'headaches', you bald b*stard.
Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join Calexico and Mexicali then, moron.
Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our Embassy Program

Quite the opposite. The new San Andreas is somewhat new on F7 although not completely new and already have nearly as many posts than I do. Very well known among the newer users
