This is not a crime in Ryemarch, but if it is disruptive to other nearby citizens the individual is requested to lodge a formal complaint or join a larger protest group.

AN has no crime, so for AAN..

You would probably get killed in the vacuum; the entire place is just a ship. Officially, death and torture. In REALITY, the vacuum of space. If its smaller and doesn't cause the ship to explode, death and torture, for the entire family, and stealing of all assets.
