The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

Set about a decade after the world becomes aware of the supernatural. Details on that will come later.

I'm back after being away from the forums for quite a while. Maybe I'll update my factbooks. There must be a lot of dust by now...
