These guys were hipster before being hipster was even cool.

I barely know anything about Weezer (Other then I don't like what I've heard), but that comment seems rather appropriate actually....

Hipsters are annoying. Coming from the guy who lives an hour 1/2 from the like, city that is 2nd for Hipster Capitol of America, behind Portland.

I keep scrolling through all the metal playlists I have and going "Meh, don't feel like listening to any of these right now", so I'm forcing myself to listen to some metal anyway because I know I'll probably like some of it.

I think the only Weezer I somewhat liked was their Radiohead cover...which surprised me honestly. I haven't exactly listened to much of them either, though, but what I've heard on the radio annoys me.
