The Gettysburg trilogy by Iced Earth.

Also, chocobos.

This song my music teacher taught me in fourth grade

Four white horses, on a river

Aye Aye Aye

(Something, something) a brand new day

Come on and join my shadow play

Shadow play is a ripe banana

Aye Aye Aye

I go through things in no particular order. There is no whim or reason to my motives. I simply choose songs I listen to. The only exception is when I like a song or two on an album so very much I go through the entire album. The last one I went through entirely was Therion's album Theli.

### [All That Remains - The Last Time](#)

Metalcore is a nice genre. <3
