Mercerism is the dominant religion in the empire, devoted to the worship of Alexander Mercer. One important part of Mercerism are pilgrimage fleets. Wealthy elite fund huge ships decorated with religious art and monuments that tour planets and holy sites.

Gilead's economy is a pretty big mess. It is mostly state controlled, but here is still small private enterprise and a black market that thrives on selling illicit products such as cigarettes and alcohol not otherwise allowed in Gilead's strict religious society.
