All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.

In Italian it means

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.

Decolonization

Freedom fighters according to themselves, a dangerous terrorist organization to the Federation
Disseminating a corrosive ideology amongst the corrupt Cygnus Federation
Piracy since even before founding, nothing says good times like space scurvy
Some good fun, that doesn't represent my views, but I would hope you could discern that yourself
