I wanna be an ersatz republic (IC). I'm a male man who likes spontaneity (OOC). Can you guess the flag model? (IC).
This is a joke nation (OOC). Issues answered randomly (IC).

Please please please please read my Factbook. It's short and to the point. You will get the premise of this nation perfectly by reading it. The Caliphate is not in Iraq. We are not the ISIS. It's located as a union of Hejaz, Somaliland, Somalia, Yemen and North Sudan.

X-mas tree was made when Harod the great and his men were crushed by a tree and a goose with a halo was found on top of it. Thereby creating our modern X-mas tree...
but then again, they were considered bad people, so maybe a 1/10.

It's as evil as a James Bond movie villain. So 10/10 but easily stoppable.

7.75/10

Reminds me of Imperial Japan. Considering Imperial Japan had Unit 731, a biochem weapons division that easily rivaled Dr. Mengele... yeah, I'm going to rate that high. It might not look as evil as most flags, but it's probably hiding some serious nightmare fuel.

It should be obvious that nothing in this nation are my actual beliefs. |

Yep, that flag sorta makes it look like they're planning to conquer all of Europe through intermarrying and incest. 5/10 in the evilness™ scale.
