Letters to the Metro, Mogwai.

Very mellow and melancholic.

I really need to listen to more Mogwai. I have a bunch of their stuff on Spotify, and have heard a few songs of theirs I like. But not enough. There are a lot of bands I need to check out more of though....especially after I scrolled through YouTube and actually found a bunch of worthwhile bands on suggestions. Sadly, a few weren't on Spotify, so I will just have to make YouTube playlists too.

I gotta say, the game's score as a whole isn't terribly impressive, but it challenges Uematsu at times. This is one of them.
