Turkish Supreme Leader Hamzaoglu orders investigations over assassination of president Mohiddin to end, names 'Royalists' responsible.

☐ **Zweite Republik Deutschland** ☐

It is 1938, 20 years after the **Great War** and the German humiliation, and democracy has persisted in **Germany** in spite of attempts to subvert it from the secret societies of the far-right **Thule Society** and the reds of the **KPD**. However, **Berlin** becomes a battleground of poverty, debauchery, and political extremism as various paramilitary forces fight against each other in the streets. Yet the development of a secret arcane martial art known as the **Seelenfluss** and the weaponization of esoteric lethal fencing techniques may change the tip of German politics forever...

Haven't read much into your lore, but wouldn't it be Erste Republik given that Germany hasn't been in a republic before that?

BN: The south is generally warm or mild at this time of year and is located between 25 and 30°N, so this stuff sort of ends in mid-

December. Also, I realise I've done this 'autumn' ticker thing since early September; in Sulivannia the spring first leaf period lasts from late January to early June, so I need to be aware of that as well. Sulivannia is generally a mild country.
