I KNOW RIGHT! Sure, Vocaloid can tend to sound robotic (which is the point and is fitting for some songs) but it comes down to how they are tuned, and there's a human creator behind them that writes the lyrics and there's the instrumentals and it's not soullessssssssss well they have at least one soul since I sold mine to Vocaloid

Beliras are you present?

Hello there. I'm **Simonia**, your average leporine TG-loving F7er. Our nation has twenty-one provinces, four regions, and four capitals. And before you ask, Pink Castle City is called that for its pink castle, Pink Castle City's main building.
