Some kind of North African monarchy, probably should be rich from its vast resources but is controlled by a massively corrupt government resulting in mass starvation.

#### **The Abandoned Coca-Cola Headquarters in Atlanta, GA**

After yet another generic zombie apocalypse broke out and overwhelmed the world, a group of Atlanta survivors found salvation and safe-haven in the old headquarters of the **Coca-Cola Company**. From there, they've created a **rudimentary small-scale society**, based on **barter, Coke consumption and firearms**. Baking in the **hot Georgia sun**, and their only respite and refreshment being various flavors of carbonated cola, they've also gone **slightly insane. React accordingly.**

I think of songs with Hammer in them.  
If I Had a Hammer as performed by Trini Lopez  
Maxwell's Silver Hammer - Beatles  
Hammer to Fall - Queen  
Legend of John Henry's Hammer - Johnny Cash  
Put the Hammer Down - Powerman 5000 (actually I try NOT to think of Powerman 5000 ever).

And songs Like:  
I Fought The Law and the Law Won  
When I Fight Authority, Authority Always Wins

I am so slow. 😞

I think of a nice peaceful Japanese precinct where one can get away from the hustle and bustle of the pointless pursuit, and focus on some peace and serenity.
