Very reluctantly Labour Party. Not a fan of their immigration and internet/press freedom views, but I'm taking them over SDP (second choice) due to the economic, taxes and foreign policy categories.

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.

Out of the represented, the Revolutionary Party, though I dislike its "Vaccilating" stance.

Ankrasian Alliance of Trade Unions primarily, but People's Party of Republicans and Democrats also has a chance of getting my vote.

(oh, quick thing, AN, when you ranked Sullivannia's parties, you missed the Green Socialists I believe. Not that it matters, just something of note.)

We use MMP, so choose one party you'd vote for FPTP and one for PR.
