Spinoff of probably The Solomon Islands flag

Before [Feyrisshire](#) was known as the Marxist-Leninist Communist nation of "catgirls", centuries and millenia before, it was "*Danschien Ryeifyinsshire*".

Set first in the Paleolithic and the Neolithic Era, it follows the history of Feyrisshire throughout (possibly?) the era of classical antiquity, in the Planet of Jawmund Danschien. Now finally [Kiu Ghesik](#) has another NS nation it can militarily beat!

Note: To know more about the far future of this PT nation "*Danschien Ryeifyinsshire*", see the MT main nation of [Feyrisshire](#).

No, it is not the South. SU stands for 'States and Unions'. The right acronym is RCAS. Please read the Factbook.
