Adolf Hitler erases Guyana from the map to prevent people from talking about it so damn much

He than invades the Soviet Union in summer

Tuan becomes the leader of Guyana and leads Guyana into a state of great depression by raising taxes to 100% because he thought "it would be funny".

The country, which was once all-powerful, gets invaded by its neighbours because of what it did to them in the past.

Tuan is found and killed.

New Max Berry nukes Guyana to make sure no one can use it as a scapegoat country again.

He then mows his lawn.

Dylan from Wales halfway into the conversation realizes that he's speaking to a dead vietnamese person.

He eats another bad curry, again too spicy for a white person
