"Your Honor, years ago I recognized my kinship with **all living beings**, and I made up my mind that I was not one bit better than the meanest on earth. I said then, and I say now, that while there is a lower class, I am in it, and while there is a criminal element I am of it, and while there is a soul in prison, I am not free." — *Eugene V. Debs*

The Elves from Tolkien's books, to be honest. They live mostly in forests, symbolized by your tree, and the water reminds me of Galadriel's mirror. The stars, especially, are what Elves associate themselves with most of all, and it particularly makes me think of the light of Eärendil that Galadriel gave to Frodo.

Crowned republic, or semi-constitutional monarchy? You decide.

P.S. No, there are no Morbius references, so don't bother asking.
