Hello! And welcome to the Los Pollos Hermanos family. My name is Gustavo, but you can call me "Gus". I am thrilled that you'll be joining our team. Each and every day, we serve our customers exceptional food, with impeccable service. We take pride in everything that we do. And after this 10 week online seminar, I'm sure you'll fit right in. I like to think I see things in people. To begin, I'd like to talk about the cornerstone of the Los Pollos Hermanos brand. Communication. As an employee of Los Pollos Hermanos, you set the tone for the entire dining experience. Be mindful of what your words, and behavior communicate to our guests. Always be aware of your posture, remember to stand up straight. Your customers and your back will thank you for it. Put effort into your appearance, all employees are required to dress appropriately. Keep your uniform clean, and pressed. If you want respect, you must look respectable. Speak in complete sentences, we never use one word greetings like "Hey" or "Yeah?" Always make eye contact, and finally, whenever you're with a customer or not, remain composed. Inside, you can be thinking about your homework, or friends, or your side business, but no one should ever know it. Because at Los Pollos Hermanos, someone... is always watching. So don't forget to smile! That's all for today, see you next time when we'll be discussing cleanliness.

Intelligently visible Ecco the Dolphin sells repugnant English guy

"We won't be taxing, bureaucratic hypocrites forever!"
We're currently fighting a just and not at all drawn-out war in the Senora Wasteland against the Roman cosplaying enslaving scumbags known as Caligulas Legion! Suck it and die from your 'headaches', you bald b*stard.
Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join Calexico and Mexicali then, moron.
Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our Embassy Program
