The Drowning. No comparison. I've never met someone who dislikes them. As a matter of fact, don't think I've met anyone else who know of their existance, minus the few people I introduced to them.

From their split with Scrotum Grinder.

Tis. It's like grindcore with less emphasis on heaviness, more emphasis on just being fast and intense. Asshole Parade, Charles Bronson, Das Oath and Limp Wrist are some good examples.

My favourite, as well.

I'm aware of quite a few people who dislike them. Their reasons (which I think are preposterous) are: "Trent uses recycled beats" and "it's NIN, except watered down and with his wife." Ridiculous, me thinks.
