Death. That is about the most blatant form of treason one could do, which is automatically death, and will most likely be public if you are playing a major role.

Depends on the protest. If its against the government, it will be shut down. If its just a demonstration like Pride, its allowed.

Pretty extensive probation for a rather long time and, of course, payment of missing taxes. Taxes are already pretty low so the revenue services get really offended if you intentionally avoid paying.

Injecting just a little bit of crack into 500 bottles of drinkabale Tylenol.

Life in prison with potential for the death penalty if you're found to be working for a foreign government (and therefore guilty of treason).

Torture, the same punishment as treason and rape. Expect something like Abu Ghraib although 10x worse, with you being unable to sleep except on certain nights, and the guards beating all prisoners constantly. On the only night you can sleep, you are hanged from the ceiling like Mussolini or a bat.

Jaywalking.

They will be punished by taking their magic off for a week (this is too bad for creatures such as unicorns or pegasi that make a living by moving clouds) or making them pay 1,000 lanublons.

A 20,000 Kohatu (NSD\$1000) fine. (However defacing an official portrait of the Empress could land you three years in jail.)
