The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

Too Sweet - Hozier

I don't listen to music with actual lyrics unless I have a good reason to.

In this case, some sections of the melody reminded me of the Wild West; I considered it a fair exchange to hear someone talking to hear those sections on loop,
