Just replied to UH above, so for Anatoliyanskiy: Libertarian League, though for the FPTP vote I could see myself holding my nose and going with the Progressive Conservatives or Surdana Party (the latter sounds sort of like a region- or ethnic-centric party though)

Federalist or Progressive Party. I think the Feds as I am a social liberal.

I don't have a dedicated page for political parties but I have explained them.

This is where you can learn about the SEP and Holmism:  
[https://www.nationstates.net/nation=con ... id=1498269](https://www.nationstates.net/nation=con...id=1498269)

You can learn about the leftist parties here:  
<https://www.nationstates.net/page=dispatch/id=1507208>

The rest of the parties are just that party in real life.

**Description:** I'm an MT Sweden under a fictional far-right ideology known as Holmism.

Basically Modern Sweden + "Folk, I gevär" + Lev Gumilov + Rampant Factionalism + Political Tension + Swedish Neo-Nazism + Sprinkles of Wacky.

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.
