Monkey 1171 was utterly scared of flying. When he went on a plane for his first time, he had a heart attack due to his plane being hijacked and died. Ironically, his heart attack distracted the hijacker who was planning to crash the plane, and the pilots managed to recover the plane before it crashed, with nobody else dying.

Monkey 1164 got sued. Her name `s now Sue.
"Oh, please! This can`t be true!

The judge is now my deadly foe!
My name, it must be Ranger, Joe!"

Joe had to die, but Sue - not yet.
