For rather obvious reasons, "The Queen is Dead" by the Smiths.

Also listening to a great rendition of "I Vow to Thee my Country".

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

Klamydia - *Rakas hullu*

"Dear Madman", the song is dedicated to the late drummer of Kylähullut (Tonmi Lilman), but nowadays it could also be considered a dedication to the late guitarist of that band (Alexi Laiho) who also plays the guitar solo on this song. The final member of Kylähullut is the vocalist of Klamydia (Vesku Jokinen).
