Polish cow becomes lonely, due to no other life being on earth. Polish cow later dies of starvation, because there are no plants to eat.

New plant

Universe cracked in half by the polish cow, these two miniverses are called "united republic of the universe" and the "commonwealth of the universe". Meanwhile galaxies are changing shape, spiral galaxies become elliptical galaxies, barred galaxies become unbarred, some small galaxies are consumed into supermassive blackholes, lenticular galaxies turn into ring galaxies, irregular galaxies become even more irregular and polish cow now owns existence.

Boe Jiden then starts a cult deep within the rockies.

TERRAN AMERICAN STATE UNDER THE ALL SEEING EYE

The shining city upon a hill built on the blood and toil of millions of innocents at profit's hand!

An alternate history where an oligarchic hegemon led by two ideologically similar and increasingly geriatric parties try desperately to keep the flame of American dominance over Earth at any cost.
