"Koku" - Mutyumu

Are these "human rights" in the room with us right now?

You are the trolley problem's conductor. You could stop the train in time but you

do not. Nobody knows you're part of the equation. You satisfy your bloodlust and get away with it every time

The Last Time by the Rolling Stones

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
