Luna 5 successfully planted the Bravos Colony, now called Bravos City, a Moon colony that still stands, and is the capital of Lune, the first state of the Indios Bravos to ever be founded off of Indio soil.

You guys have moon landings? Cool! We have landing on different celestial objects too! (I'm talking about Simonia-Majestia and Simonia-NationStates.) Just hope the Moon wasn't claimed when you first went there.

Hello there. I'm **Simonia of MJT**.

Our nation has twenty-one provinces, four regions, and four capitals. And before you ask, Pink Castle City is called that for its pink castle, Pink Castle City's main building.

I personally make sure to deforest at least a metre of the Amazon per week

Honestly if you deforested a (you forgot to say square) meter of the Amazon every week and sold your wood you would probably be rich. But at the cost of lots of oxygen.
