As an FYI, the Neoliberal Consensus only has one political party (the Democrats). We outlawed all other political parties because they were Russian-backed agents who tried to coup our democracy.

I would illegally join the remnants of either the Communist Party or
Liberal Party and operate an underground resistance force against
the government. That's how much I dislike the three parties.

If I was absolutely forced to vote with threat of eternal torture if I
didn't (I would rather die than vote for these three parties) I would
extremely reluctantly vote for the Christian Authoritarian Party.
