No.

Not for political reasons, but just because I don't feel like I would fit in with the locals very well. Culture matters a lot to me, and my personality would heavily conflict with the locals and their culture.

This nation does not entirely express my views. But my sig does!

**Against: Too much government regulations, homophobes, islamophobes, the type of liberals I have in my mind, people on all the extreme parts of the political compass, people that assume all Christians are homophobic and transphobic**

By their own law I couldn't move there, not to mention the climate of that part  
of the world is the direct opposite of the kind of climate I can like.  
HOWEVER, if I had no other option, I wouldn't complain, there are much,  
MUCH worse places to live in.
